## Your Presenter

Brett Cranson has 8 years experience in the financial services industry. His work experience includes financial planning, insurance, banking, mortgages, loans and retirement savings. He is currently part of the DOT Integrated Financial team, as an independent insurance and investment advisor and is helping his clients by delivering smart, customized plans and portfolios for their unique goals.

Brett values the relationships he has with his clients and feels very strongly this has helped grow his business through referrals from those clients. Brett lives with his loving wife Jennifer and his two boys 21 month old Zachary and 2 month old Ethan.
